1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Carolina Water.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

There are only two people living at our house and our average monthly water / sewer bill is \$70.00 in the winter months. When we water our yard, even though not using the sewer our bills can run as high as \$130 per month! This is an extremely high rate for water and sewer.

We are not using Carolina Water's actual water - we are only using their pipes which were installed years ago. I am sure they have seen a tremendous profit and return by now.

I cannot understand how Carolina Water can ask for a large rate increase. We are paying extremely high water rates now and any increase would be unfair and not warranted. The company needs to look for ways to be more efficient, just like many public companies have done during this very difficult recession. We adaimently protest any increase in rates whatsoever.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
